Dear Ms. Jones,

Further to my letter of 27 February 2019, please find enclosed the reply I have received from the Minister for the Northern Powerhouse and Local Growth, Jake Berry.

As you will note, due to the role of Ministers in the planning process, Mr. Berry is unable to comment on the specific planning application in question. However, I hope that you find the information regarding the current approach to viability assessment of use.

You can find the full National Planning Policy Framework document via the following link: <https://bit.ly/2X6bdlk>

If I can be of further assistance, please do not hesitate to contact me.

Yours sincerely,

Antoinette Sandbach MP

Enc.
